Bitte wählen Sie den richtigen Tür-Mitnehmer, um eine einwandfreie Funktion der Schranktür und des Abfallsammlers zu gewährleisten.

BITTE VEWENDEN SIE DEN METALL-MITNEHMER NUR BEI 95° TÜR-SCHARNIEREN.

Installieren Sie bitte den Plastik-Mitnehmer bei allen größeren Öffnungswinkeln!

It is important to select the correct door-mounting-bracket.

PLEASE USE THE METAL BRACKET WITH 95 DEGREES HINGES ONLY!

Please use the plastic bracket with all other, exceeding opening angles!
This will ensure proper operation of your door and of your waste-bin.

Es importante escoger el soporte de apertura adecuado.

POR FAVOR UTILICE EL SOPORTE DE APERTURA METÁLICO SÓLO CON BISAGRA DE 95°.

Para ángulos de apertura superiores, utilice el soporte de apertura plástico.

Esto asegurará el correcto funcionamiento tanto de la puerta del mueble, como de su nuevo basurero Hailo.
